CUPS & LIDS

95 mm PET Cups & Lids

One rim diameter across eight cup sizes — stock one lid family for your whole cold-drinks menu.

95 mm PET Cups

Crystal-clear PET cups for iced coffee, smoothies, juices and cold drinks. Every cup in the range shares a single 95 mm rim, so one lid family fits all sizes — simplifying ordering and storage. Rigid PET holds its shape in the hand and during carry-out, while the transparent wall shows off colour, ice and layers.
